Bachelors of Science	Auburn University	1999	Communications Sciences and Disorders

*Describe significant professional experience, contributions, and continuing education activities during the past 3 years.*

List major areas of research interests:

Cochlear implants
-------------------

List publications, presentations completed:

- |  |
|--|
| <ul style="list-style-type: none"><li>• Presentation, "Wireless Accessories and Cochlear Implants", ACIA Alliance International Meeting, Toronto Canada, May 2016, Co-Presenter: Jason Wigand</li><li>• Presentation, "Hearing Screenings and Tympanometry", CMS Summer Training Program, June 2016, Co-Presenter: Beth Hulvey</li></ul> |
|--|

List grants awarded:

None
------

List Research Activity:

- |  |
|--|
| <ul style="list-style-type: none"><li>• Participating in a 5 year post approval study of the Hybrid Cochlear implant with Cochlear Americas Corporation. Multisite study. 2015-present</li></ul> |
|--|

List activities related to clinical service delivery:

* Conduct consultations and audiological evaluations for Cochlear Implant candidacy on adult and child populations
--

\* Program, troubleshoot, and maintain Cochlear Implant Speech Processors and equipment for adult and children populations.

\* Audiological evaluations for adult and children populations including conditioned play audiometry, Otoacoustic Emissions testing, and visual reinforcement audiometry.

\* Carry out hearing screenings for USC through Craniofacial Clinic and community screenings.

**List clinical supervision experience:**

\* Supervise Master's level Speech Pathology students for clinical practicum in Audiology

\* Clinical advisor for Master's level Speech Pathology students

\* Clinical Supervisor for Fourth Year Audiology Students completing externship

**List professional development (e.g., continuing education activities, attendance at professional meetings, completion of course work, in-services). Provide the title/topic of activities.**

- South Carolina Academy of Audiology, state conference, Columbia, SC, January 2013
- ACI Alliance: "Emerging Issues in Cochlear Implantation, Washington D.C., October 2013
- South Carolina Academy of Audiology, state conference, Columbia, SC, January 2014
- ACI Alliance: "Pediatric Symposium", Nashville, TN December 2014
- "Expanding Treatment Solutions in Implantable Technology" December 2014
- South Carolina Academy of Audiology, state conference, Columbia, SC January 2014
- Cochlear Corporation "2015 Advanced Clinical Workshop", Atlanta, GA, June 2015
- "ICD-10 Is Coming: Are You Ready?" June 2015
- South Carolina AG Bell: "Coping with Deafness" August 2015
- South Carolina Academy of Audiology, state conference, Columbia, SC, January 2016.
- ACIA: "International Conference on Cochlear Implants", Toronto, Canada May 2016

**List professionally related service activities:**

Member, American Speech-Language and Hearing Association (ASHA)  
Member, South Carolina Academy of Audiology (SCAA)  
Member, National AG Bell Association  
Member, South Carolina AG Bell Association  
Member, ACI Alliance

**List courses currently teaching:**

\* Team Teaching, COMD 521 Procedures for Master's Level Speech Pathology students-currently  
\* COMD 772 Practicum in Speech Language Pathology and Audiology-currently
